DETAILED ACTION

Drawings

1. The drawings were received on December 07, 2008. These drawings are accepted by the Examiner.

Allowable Subject Matter

2. Claims 1 and 3-22 are allowed (Claim 2 is canceled by the Applicant).
3. The following is an examiner's statement of reasons for allowance:

The primary reason for the allowance of claims 1 and 3-20 is the inclusion of the limitation of a control device for selecting one reactance set from among a plurality of reactance sets in a plurality of cases of setting the plurality of reactance sets, respectively so as to be able to obtain a diversity gain equal to or larger than a predetermined value, and so as to keep an input impedance of the array antenna substantially unchanged, based on the radio signal received by the array antenna, based on a signal quality of the radio signal received in each of the plurality of cases according to a predetermined selection criterion, and for setting the selected reactance set to the plurality of variable reactance elements, respectively. It is this limitation found in each of the claims, as it is claimed in the combination, that has not been found, taught or suggested by the prior art of record which makes these claims allowable over the prior art.

The primary reason for the allowance of claims 21-22 is the inclusion of the limitations of a grounding electrical conductor formed on a predetermined first region on the second surface of the dielectric substrate; and three strip electrical conductors

formed lengthwise on the first surface of the dielectric substrate. It is these limitations found in each of the claims, as they are claimed in the combination, that has not been found, taught or suggested by the prior art of record which makes these claims allowable over the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
